Each student will also need, a backpack, a pair of gym shoes to stay at school, and a lunch box (for cold lunch). Please note individual teachers may request specific items during the year. **DO NOT** include scissors in your student's supplies: the school will provide these. **DO NOT** include **Trapper Keepers** or **3-Ring binders unless requested by the teacher**. Also, some supplies may need to be replenished throughout the year. All supplies including lunch boxes and backpacks must be identified with first and last names and the school name please. This will let the driver know where it belongs.

**For Kindergarten students** please have your child's name on: tote bags, gym shoes, coats, hats, sweaters, mittens or gloves, and boots. Keep in mind your child should be able to put these on without help. Remember, your child must be able to open and close their tote bag independently. We have a lost and found, but have learned that many items go unclaimed. If there is a name on the items it is easier to return them. Put your child's name in each shoe so they can be easily identified. When purchasing shoes buy ½ size larger to allow for growing feet.
