Reminders

- Please remember to write your child's name on his/her backpack, gym shoes, coats, clothing, boots...basically, everything!
- DO NOT include scissors in your student's supplies. We provide these to each classroom to avoid injury to students carrying them in backpacks..
- You may want to buy gym shoes ½ size larger to allow for growing feet.
- We are always looking for donations of the following items: disinfectant wipes, Kleenex, Ziploc gallon-size bags and quart-size bags, loose-leaf paper and pencils. Donations are tax-deductible and we will gladly provide a donation receipt.
